

SCOTTISH

ARTIGIANI D'IMMAGINE

SCOTTISH HAIR&BEARD is a professional brand with solutions for all male grooming needs: from beard care to healthy hair, every product is specially formulated to give maximum creative expression to men's style. Tradition, quality, research, innovation and style are the cornerstones of this range, which is 100% Made in Italy. Scottish Hair&Beard offers professionals in the sector all the tools they need to take the barber shop profession to the next level.

SCOTTISH HAIR

HAIR SHAMPOO REVITALIZES

Cleanses and strengthens hair, giving it unbeatable softness, shine and hydration. Leaves hair pleasantly fragranced and has been formulated for frequent, prolonged use.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- jojoba oil, with regenerating, emollient and protective properties, which hydrates and gives dry hair extra shine.

Sizes:
1000ml
500ml

WATER WAX

Defines and separates strands for a firm hold, is non-greasy and does not weigh down hair. Creates a glossy wet effect and the perfect tousled look. For high-definition hair that withstands the stresses of everyday life.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- jojoba oil with regenerating, emollient and protective properties.

Size:
100ml

HAIR CONDITIONER

Nourishes and detangles hair without weighing it down and leaves the scalp feeling naturally soft and hydrated. Prevent dryness thanks to fast-acting, deep-down hydration.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- jojoba oil, with regenerating, emollient and protective properties, which hydrates and gives dry hair extra shine.

Sizes:
1000ml
500ml

MATT WAX

Gives shape and body to hair with its defined matt texture, giving total freedom to create any style. Unruly hair is easily tamed but never stiff. Hair feels soft and the wax leaves no residue.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- clay with absorbent and lightening properties, a truly natural ingredient.

Size:
100ml

PASTE WAX

Sculpts and shapes hair to perfection thanks to the stringy effect of the paste. Ideal for creating extreme looks and constructing and deconstructing styles without leaving a greasy feel or residue.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- film-forming and fixing agents

Size:
100ml

GEL EXTRA STRONG

Holds hair perfectly in place while being kind to it, delivering an extra-strong long-lasting hold. The gel does not weigh hair down, dry it out or leave residue, guaranteeing a polished style every time.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- film-forming and fixing agents.

Size:
500ml

SPIDER WATER WAX

Gives hair elasticity and structure, thanks to the stringy effect of the paste. Ideal for extreme sculptured looks with a high-shine finish.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties.

Size:
100ml

SPIDER MATT WAX

Gives styles elasticity and structure and adds volume to hair. The stringy effect of the wax is perfect for sculpting extreme looks with a matt texture.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- clay with hydrating and volumising properties.

Size:
100ml

SCOTTISH BEARD

SHAVING CREAM

Quick and easy to use, this shaving cream is pleasantly fragranced. The razor glides smoothly over the skin even when beard hairs are thick and coarse.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- argan oil whose synergic action prevents skin ageing and fights the formation of free radicals;
- urea with skin hydrating and softening properties.

Sizes:

1000ml
500ml

PRE-POST SHAVE

Pre/post shaving cream that can be used **before shaving** to soften the beard hairs and protect the skin, and **after shaving** to give instant relief and a sensation of freshness.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- camphor with a toning, firming effect;
- menthol with refreshing, revitalising properties.

Sizes:

500ml
250ml

AFTER SHAVE

After shave gel which effectively soothes and moisturises, suitable for sensitive skin. Prevents reddening and hydrates the skin after shaving.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- camphor with a toning, firming effect;
- menthol with refreshing, revitalising properties.
- bisabolol with anti-bacterial, anti-inflammatory and anti-irritant properties.

Size:

250ml

AFTER SHAVE LOTION

After shave lotion for the face: this unique blend calms irritations and refreshes the skin after shaving. With an unmistakable Scottish fragrance.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- camphor with a toning, firming effect;
- menthol with refreshing, revitalising properties.
- bisabolol with anti-bacterial, anti-inflammatory and anti-irritant properties.

Size:

400ml

MOUSTACHE WAX

Pomade formulated for flawless moustaches and beards. Does not weigh the moustache down or make it feel greasy, and makes styling quick and easy, releasing a pleasant fragrance.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- shea butter with emollient, nourishing and hydrating properties.

Size:

50ml

BEARD'S OIL

This oil softens and moisturises the beard and skin. Helps reduce redness and irritation, providing relief to itching. Helps tame unmanageable beards, leaving them soft and shiny.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- blend of essential oils.

Size:

30ml

BEARD'S BALM

Cream which softens and hydrates and is highly recommended for beards and moustaches during the first couple of weeks of growth. Beards are velvety soft and feel great to the touch.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- shea butter with emollient, nourishing and hydrating properties.

Size:

100ml

BEARD'S SOAP

Shampoo specially formulated for daily use on beards and moustaches which gently cleanses while preventing skin irritations. It makes beards exceptionally strong, healthy and shiny, leaving them clean, silky and pleasantly scented.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties.

Size:

100ml

ANTI FRIZZ

Anti-frizz emulsion which nourishes and hydrates beards, restoring their natural softness. Its softening action gives a new lease of life to even the toughest beards, making them easier to comb, soft and looking great all day long.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties;
- shea butter with emollient, nourishing and hydrating properties.

Size:

100ml

ANTI-AGE DAY CREAM

Global anti-age treatment which correct the signs of ageing. The cream is quickly absorbed and is not greasy on the skin. Its global anti-age action helps smooth out wrinkles and expression lines for an instantly younger-looking and healthy complexion.

Active ingredients:

- blueberry oil with hydrating, soothing and antioxidant properties.

Size:

100ml
